DeepLearning.AI

📖 My Learnings

Abhinay Nani, congratulations on completing Open Source Models with Hugging Face!

📖 **Open Source Models with Hugging Face**

Introduction   ⟩

Selecting models   ⟩

Natural Language Processing (NLP)   ⟩

Translation and Summarization   ⟩

Sentence Embeddings   >

Zero-Shot Audio Classification   >

Automatic Speech Recognition   >

Text to Speech   >

Object Detection   >

Image Segmentation   >

Image Retrieval   >

Image Captioning   >

Multimodal Visual Question Answering   >

Zero-Shot Image Classification   >

Deployment   >

Conclusion   >
